

WHY GUESS WHEN YOU CAN SEE WHAT THE DEALER HAS DOWN UNDER?

Down Under Blackjack lets you see the strength of the dealer's hand before you decide how to play your own hand. Before the players act, the dealer will identify his down card as being Small, Medium or Large by placing the hand on one of the color-coded areas.

- BLUE** = 2, 3, 4 or 5
- RED** = 6, 7, 8 or 9
- GOLD** = 10, J, Q, K or A

Once the dealer has given you this extra information you can use it to your advantage.
